## Facts About Lions

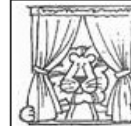

A typical Lions Club consists of about 25 members from all walks of life, united in a common aim - to help those less fortunate than themselves.

There are mixed Lions Clubs, all-male Lions Clubs, and all-female Lions Clubs.

There are also Leo Clubs for 14 to 25 year olds.

The majority of our Lions Club's activities are concentrated on the needs of the local community.

Lions believe in fellowship on a local, national and world-wide basis.

Many social events take place throughout the year.
